

Henlow Heart

Christmas Spirit

Today Christmas has come alive at Henlow with jumpers, carols, decorations, cards, lunch and a fabulous assembly for the whole school to enjoy. Photos are included in the attached pages but it is difficult to replicate the wonderful atmosphere in a newsletter.

The assembly included the Roll of Honour which congratulates students across the whole school for their involvement in aspects of school life and out of school activities. We are very proud of the fact that the range of reasons for commending students continues to increase as does the number of students included.

The Christmas card competition received a record number of entries with many highly commended in addition to year group winners. Jude, the overall winner, creatively included our values on the presents and added the house names on the Christmas stockings too. This card has now been sent across our whole community.

The Kindness Award is sponsored by Champneys and the winner receives £100. This year's recipient, Harry, was nominated by staff for going the extra mile in the way he considers others. It was a proud moment watching him receive this award today and also recognising another 21 students who were nominated.

One of our members of staff, Mrs Wild, received recognition today for the 25 years she has served at Henlow. We were all treated to a slide show charting how the school has developed throughout these years and gave our grateful thanks for the roles she has performed and continues to perform. Her work as Data manager is vital to us but many students know her best as a lunch time supervisor and the leader of the gardening group. After a few words she gratefully received some flowers and a new school shed for storing our gardening equipment!

In true Henlow tradition we concluded assembly with a version of the 12 days of Christmas. The word 'version' loosely describes a scene including staff attempting to remember the words and movements at a fast pace!

On Monday evening a packed audience enjoyed our Christmas concert with musical contributions from all year groups. It was a fabulous occasion in which many students showed their growing confidence in their musical abilities. The range of voices, instruments and collaborations was a treat and thanks go to Mrs Fordham for coordinating everything. Two performances were repeated in today's assembly to rapturous applause and deservedly so - Jack Year 10 a solo performance of 'It's beginning to look a lot like Christmas' - quite a feat to emulate Bing Cosby (or Michael Bubl !) The penultimate contribution to assembly was a band called Crosskeys: Sean, Robynne, Ruby and Jacob in Year 8. Sean's voice and the accompaniment gave a truly uplifting tension of 'Beautiful Things'.

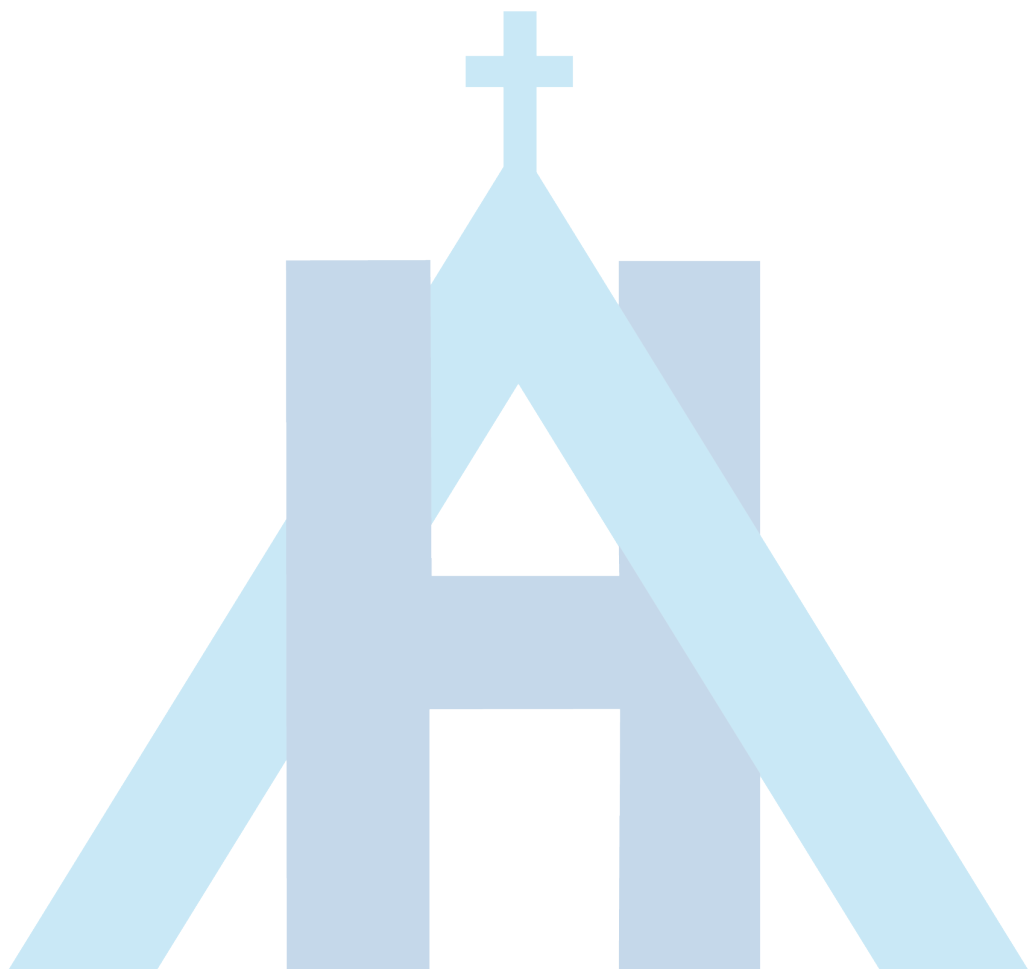

Yesterday, Year 11 were rewarded with a visit to Milton Keynes now their mock GCSEs are completed. It was an absolute pleasure to spend some time with them enjoying this experience and seeing them respond so positively to the trust shown in them.

Our sporting edition will be published as we return in January as there's a bumper amount to include.

Thanks to all parents and carers for working alongside us in all our endeavors. I hope everyone spends some time with their friends and family before returning ready to learn in January.

Yours faithfully

Christmas

A Henlow Christmas is always a special time of year. December brings a buzz of excitement across the school, with classrooms adorned in decorations, festive preparations underway, and a variety of activities taking place. In the following pages, you'll find some highlights from our celebrations.

Music @ Henlow

What an exciting and busy term it's been in music! The term ended on a high note with our annual Christmas concert, where music students from all year groups showcased their hard work and talents. A special shoutout to our incredible soloists, who wowed the audience with their outstanding performances.

GCSE Drama and Music students had the fantastic opportunity to attend a pantomime at the Cambridge Arts Theatre on December 18th, thanks to the generous support of the Panto Wheels charity. The trip included an exclusive behind-the-scenes tour of the stage, led by the theatre's Technical Director. A huge thank you to Mrs. Sharp, Miss Jackson, and Miss Maher for making this trip possible.

We were also thrilled to welcome Band in a Van for an exciting concert with our hearing and visually impaired students. The energy was electric, and it was such a treat for our young musicians!

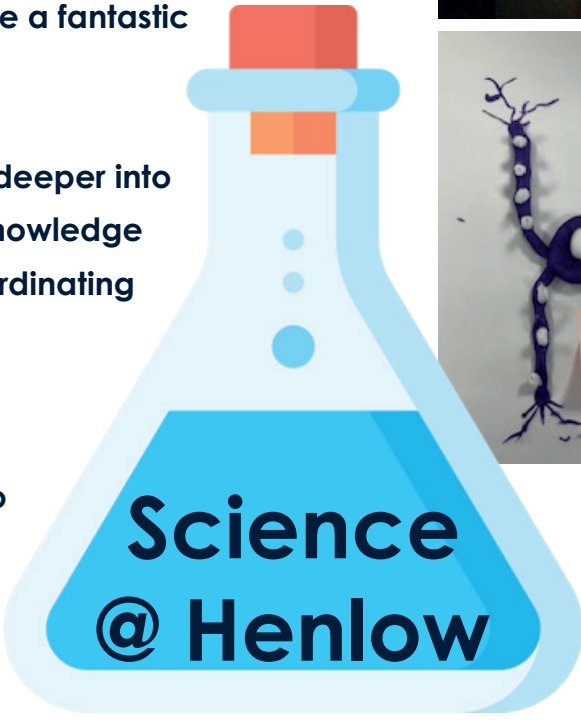

What a term to remember – here's to even more musical magic in the new year!

Year 7 students have been showcasing their creativity and understanding in science by creating impressive model cells to conclude their unit on cell structures. The models are a fantastic representation of their hard work and knowledge.

Meanwhile, our Year 11 students have been diving deeper into the fascinating world of biology, building on their knowledge of cells by studying nerve cells and their role in coordinating responses throughout the body.

Additionally, they had a fun and challenging lesson focused on engineering, where they learned how to prevent an egg from breaking when dropped! A great way to apply scientific principles to real-world scenarios

MEPPERLOW

It has been an extremely busy Autumn term and Key Stage 2 has packed so much in! Our newly promoted Year 6 welcomed the new Year 5 pupils, setting a great example of

smart uniforms, living our Henlow values and helping them to settle into 'Mepperlow'.

Year 5 spent the first three days really getting to know one another with fun activities before splitting into their form groups and starting to work hard, explore the fantastic facilities and get to know their new teachers.

This was their first time using our food technology room

and one of the culinary delights they conjured up was fruit crumble. In technology, they made mixed media masterpieces, using paint and sewing to create some amazing work. After having studied rivers, they went on their first excursion to study the River Ivel. It was a very muddy and soggy walk but they enjoyed being outside and lots of fun and learning took place. They have been reading 'Letters from the Lighthouse' and 'Krindlekrax' and have written some amazing responses. Outside of lessons, lots of year 5 have tried out their musical and singing skills in various clubs, many of whom performed at the end of term Christmas concert. They also took part in some Christmas activities organised by Trisha from Impact Bedford, which they found really enjoyable. Impact runs our weekly Christian Club, which all key stage 2 pupils are invited to attend. One of the fun things they have been doing in recent weeks is recreating the nativity scene.

Year 6 has also crammed lots into this term. Their SATs year has started positively and they have risen to the increase in challenge year 6 presents. In maths, there has been a massive focus on arithmetic and some great progress has been made; the pupils should be very proud. They have been studying the Victorians in history and once again this year, a trip to the Victorian Museum

really brought Victorian schools to life. I am sad to report some pupils were caned and others made to wear the dunce's hat! Year 6 has also been enjoying clubs and taking part in matches and fixtures. Sports competed in include basketball, archery, gymnastics and trampolining. Students from both Key

Stages took part in the annual Hearing Impairment and Visual Impairment Sports Festival. In design technology, year 6 pupils made pop up books and in textiles they made teddies. Cat meme club's popularity went through the roof and lots of students have attended origami club. Young Voices continues into the New Year, as pupils rehearse for the concert at the O2.

Key Stage 2 has certainly earned a rest over the next few weeks, so they are refreshed and ready for what the New Year brings!

Henlow Hub

At the beginning of the term, interviews were held for students who wished to become a school librarian. A new team was selected and joined the existing team.

Student Librarians play a vital role in the library by helping with the day to day duties and activities. Not only are they crucial in the smooth running of the library, student librarians gain many skills in addition to:

- . increases confidence and self esteem
- . Provides opportunities to take responsibility.
- . Rewards are given for positive contributions
- . Provides the opportunity to assist other students
- . Provides a vehicle for a student voice within the school community

Our new Student Librarians are:

Eadie W Year 11, Arthur P Year 8, Austin K Year 8, Jesse J Year 7, Poppy C Year 7, Lucy B Year 7, Josh G Year 7, Daria L Year 7, Oliver R Year 6, Jacob C Year 6 & Nethuli G Year 6

A competition was held for all year groups. We received so many wonderful poems making it a difficult decision to select a winner. Well done to everyone who entered. The overall winning entry went to Phoebe J in Year 5

One bell tings the day begins
Two best friends laugh and grin
Three long lessons before it's lunch
Four slices of pizza I much and munch
Five books stacked way to high
Six kids in detention you should not lie!
Sever lockers slam all at the same time
Eight children dancing to the rhymes
Nine lost minutes before the bell
Ten new things I've learnt to tell
Eleven science facts to blow your mind
Twelve teachers working helpful and kind
Thirteen minutes left to run and play
Fourteen maths problems to finish the day
Fifteen merits for the well behaved
Sixteen parents waiting for the kids to be saved

Runners up were:

Antigone W Year 5

Lois W Year 6

Linnet W Year 7

Harry S Year 9

In November we ran a book amnesty/competition to encourage students to return overdue resources. The following classes had NO OVERDUE BOOKS by the end of the competition and all received some treats . Well done to 5SG, 7DC, 7TL, 8SS and 10 BF

We are always extremely grateful for good quality books for the library.

We would welcome books suitable for ages 9 to 16 . Fiction and non-fiction and adult books can also be considered. Thank you
